

Science Journal

Name— _____

Important to remember:

- Any notes from the journal can be used on tests. Books may not be used on tests, so be detailed in your notes.
- Journal entries must be neat and either bulleted or organized in another easy way to understand.
- This journal is intended to be a valuable resource throughout the year for science fair projects and other experiments. It can also be used in fifth grade to help you prepare for the FCAT Science test.
- DATE EACH ENTRY! For every 20 entries, it counts as 5 points of your overall grade.
